| 125 | | Note: A "stake survey" is generally required in order to obtain full survey coverage in an Owner's policy of title insurance. |
| 126 | | A SRPR may or may not disclose all of the defects involving such matters as encroachments, overlaps, boundary line or |
| 127 | | acreage discrepancies. |
| 128 | | If any defects are discovered as a result of the title examination, title commitment, or the survey, and if Buyer chooses to act on this |

In the event the property and improvements do not meet such requirements or pass such inspection(s), Seller must notify Buyer in writing within days (15 days if none stated) after the "Acceptance Deadline" date of any violations or requirements that Seller will not correct. Fallure of Seller to notify Buyer within this period shall constitute an climination of Seller's ability to negotiate any violations or requirements of the inspections. In such event, Seller agrees to comply with all requirements of the inspections prior to Closing. Buyer and Seller agree that the earnest money received by the escrow agent in connection with this contract shall be deposited within ten (10) banking days after the "Acceptance Deadline" date. Additional earnest money, if applicable, is to be deposited by escrow agent within ten (10) banking days after receipt. Any earnest money received within ten (10) banking days prior to the scheduled Closing date, shall be in the form of a cashier's check or any other form acceptable to the escrow agent. If sale is closed, earnest money to apply to the purchase. If any earnest money is being returned to Buyer, Buyer agrees that any expenses for services requested by Buyer may be withheld by escrow agent and paid to the applicable service provider(s). In the event of a dispute over any earnest money held by the escrow agent, the escrow agent shall continue to hold said deposit in its escrow account until: I) escrow agent has a written release from all parties consenting to its disposition; or 2) until a civil action is filed to determine its disposition (at which time payment may be made into court, and in such event, court costs and escrow agent's attorney fees will be paid from earnest money); or 3) until a final court judgment mandates its disposition; or 4) as may be required by applicable law. The parties specifically acknowledge and agree that whenever ownership of the earnest money or any other escrowed funds, received by a Missouri licensed real estate broker, is in dispute between the parties, said broker is required by Missouri Statute, Section 339,105.4 RSMo to report and deliver the monies to the State Treasurer within 365 days of the initial projected Closing date. Broker shall not report and deliver any such monies to the State Treasurer until at least sixty (60) days after the initial projected Closing date.

Note: An escrow agent who is not a licensed real estate broker is not bound by Missouri statutes and regulations which apply to carnest money deposits. If the escrow agent is not a licensed broker, the parties are urged to have the escrow agent agree in writing to be bound by the provisions of this contract before being named as the escrow agent.

13. REMEDIES.

If either party defaults in the performance of any obligation of this contract, the party claiming a default shall notify the other party in writing of the nature of the default and his election of remedy. The notifying party may, but is not required to, provide the defaulting party with a deadline for curing the default. If the default is by Buyer, Seller may either accept the earnest money as liquidated damages and release Buyer from the contract (in lieu of making any claim in court), or may pursue any remedy at law or in equity. If Seller accepts the earnest money, it shall be divided as follows: expenses of broker and Seller in this transaction will be reimbursed, and balance to go one-half to Seller, and one-half divided equally between listing broker and selling broker (if working as subagent of Seller) in lieu of commission on this contract. If the default is by Seller, Buyer may either release Seller from liability upon Seller's release of the earnest money and reimbursement to Buyer for all direct costs and expenses, as specified in Buyer's notice of default (in lieu of making any claim in court), or may pursue any remedy at law and in equity, including enforcement of sale. Buyer's release of Seller does not relieve Seller of liability to brokers under the listing contract. In the event of litigation between the parties, the prevailing party shall recover, in addition to damages or equitable relief, the cost of litigation including reasonable attorney's fees. This provision shall survive Closing and delivery of Seller's deed to Buyer.

289 14. LOSS.

Risk of loss to the improvements of the property shall be borne by the Seller until title is transferred. If any improvements covered by this contract are damaged or destroyed, Seller shall immediately notify Buyer or selling broker in writing of the damage or destruction, the amount of insurance proceeds payable, if any, and whether Seller intends to restore the property prior to Closing, to its condition at the time of the contract. In the event Seller restores the property to its prior condition before scheduled Closing, and provides Buyer with proof of the repairs, Buyer and Seller shall proceed with Closing. In the event the property is not to be restored to its prior condition by the Seller before Closing, Seller shall immediately provide Buyer or selling broker with a copy of any policies of insurance, the name and number of the agent for each of said policies, and written authorization (if needed) for Buyer to communicate with the insurer. Buyer may either a) proceed with Closing and be entitled to the amount of insurance proceeds relating to real property improvements, if any, payable to Seller under all policies insuring the improvements plus receive a credit from the Seller at Closing in an amount equal to the deductible not covered by insurance, or b) terminate the contract, thereby releasing all parties from liability hereunder. If all of the aforementioned insurance information is received by the Buyer or selling broker more than ten (10) days prior to the scheduled Closing date, Buyer is to give written notification to Seller or listing broker as to his election of (a) or (b) above within ten (10) days after the Buyer or selling broker's receipt of such information; and if not received by Buyer or selling broker more than ten (10) days prior to the scheduled Closing date, Buyer may, at Buyer's option and by written notice to Seller or listing broker, extend the Closing date up to ten (10) days, during which time Buyer may make his election as to (a) or (b) above. Failure by Buyer to notify Seller shall constitute an election to terminate the contract. If the contract is terminated in accordance with the provisions of this paragraph, Buyer's earnest money is to be returned, subject to paragraph 12. Seller agrees to reimburse Buyer's cost to pay for title, survey, inspection(s) and appraisal.

15. ASSIGNABILITY OF CONTRACT.

This contract is assignable by Buyer, but not without the written consent of Seller if; a) Seller is taking back a note and deed of trust as part of the purchase price, or b) Buyer is assuming the existing note. Assignment does not relieve the parties from their obligations under the contract.

16. MISCELLANEOUS PROVISIONS

Time is of the essence in the performance of the obligations of the parties. All references to a specified time shall mean Central Time. This contract shall be binding on and for the benefit of the parties and their respective heirs, personal representatives, executors, administrators or assigns. This contract shall be considered a contract for the sale of real property and shall be construed in accordance with the laws of the State of Missouri. This contract constitutes the entire agreement between the parties hereto and there are no other understandings, written or oral, relating to the subject matter hereof. The contract may not be changed, modified or amended, in whole or in part, except in writing signed by all parties.

17. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA)

Seller represents that it is not a foreign person as described in the Foreign Investment in Real Property Tax Act [26 U.S.C §1445] and agrees to deliver a certificate at Closing to that effect which contains Selfer's tax ID number or Green Card.

18. CONSTRUCTION.

Words and phrases shall be construed as in the singular or plural number, and as masculine, feminine or gender neutral, according to the context. When the term "listing broker" is used, it refers to one of the following: a) a broker working for the Seller under an agency listing contract; or b) a broker assisting the Seller as a transaction broker, whichever is appropriate. When the term "selling broker" is used, it refers to one of the following: a) a broker working for the Buyer under a buyer's agency agreement; b) a broker assisting the Buyer as a subagent of the Seller; or c) a broker assisting the Buyer as a transaction broker, whichever is appropriate. The term "broker" shall include the broker's affiliated licensees (referred to as "salespeople"). With the exception of the term "banking days" as used in paragraph 12, a day is defined as a 24-hour calendar day, seven (7) days per week.

19. ACCESS, FINAL WALK-THROUGH AND UTILITIES.

Seller agrees to permit inspections of the property by inspectors, contractors, termite inspectors, surveyors, engineers and appraisers selected by Buyer as provided for in the contract, or inspections required by Buyer's lender or insurer, upon reasonable advance notice to Seller. Buyer and selling broker may also be present during these inspections. Seller grants Buyer, selling broker, and any inspector whose report prompted a request for repairs, the right to enter and walk-through the property, and the right to have the utilities transferred to Buyer, within four (4) days prior to Closing. The purpose of the walk-through is only for the Buyer to confirm that the property is in the same condition, ordinary wear and tear excepted, as it was on the date of this contract, and that repairs are completed in a workmanlike manner. Seller will arrange, at Seller's expense, to have all utilities turned on during the period specified for any inspection and the walk-through, unless utilities have been transferred to Buyer. Waiver of property and improvement inspections does not waive the right to a walk-through prior to Closing. The Closing does not relieve Seller of Seller's obligation to complete improvements and repairs required by this contract.

20. FLOOD PLAIN.

 Buyer may terminate this contract if any portion of the property is located in a designated 100-year flood plain unless disclosed to Buyer in writing prior to contract. If terminated, earnest money to be returned to Buyer, subject to paragraph 12. Failure by Buyer to terminate within 10 days of actual knowledge of 100-year flood plain, or by Closing, whichever occurs first, shall be deemed a waiver by Buyer of this contingency.

22. SOUARE FOOTAGE AND LOT SIZE DISCLOSURE.

Broker is not an expert in measuring and does not measure the total square footage or lot size of the property. To the extent that Broker provides or shares information about the property, the information comes from one or more other sources, is only an approximation and is not verified by Broker. There may be differing standards used in Missouri for measuring total square footage of property, and the available information about total square footage can vary depending upon the source, the measurement standard that was used and the date of measurement. One source for total square footage is public information from the county assessor's office, but the county assessor's office does not warrant the accuracy of the information and neither does Broker. If you wish to have verifiable and accurate information about the total square footage of this property, you should retain a qualified professional appraiser to measure the property according to the measurement standard that the appraiser deems appropriate. The price per square foot for any property is a calculation based upon, among other things, total square footage, so price per square foot also is only an approximation and is subject to the same uncertainties and limitations described in this paragraph. If you wish to have verifiable and accurate information on lot size you should retain a licensed surveyor.
